

Dear valued relation,

We would like to inform you officially of an exciting development in our company.

After 10 years of being the founder and shareholder of our company, Van Weelde Group has transferred the shares of CSC Crewing to Oceanwide Group. Van Weelde Group is now fully focusing on operating its growing fleet.

Oceanwide, like CSC Crewing, has been active in our crewing world for a long time. The transition to Oceanwide gives us the opportunity to broaden and strengthen our services.

Together with Oceanwide, we will ensure that our services remain as you are accustomed to and strive to only make them better. If there is any restructuring to the services as they are now we will inform you personally over the coming months.

If you have any questions, please do not hesitate to contact us.
